REIMBURSEMENT AND EXPENSE MANAGEMENT POLICY

The Tax Assessor-Collectors Association (TACA) Board is responsible for the proper management of funds that are generated as a result of membership dues, excess monies contributed by donors or other causes.

The TACA By-Laws allow the Board of Directors to regulate the reimbursement of expenses incurred as a result of conducting business on behalf of TACA.

To ensure proper financial management, the TACA employs a Reimbursement Policy that is designed to protect the association while allowing the Board and Committee Chair members to conduct business on behalf TACA.

Board Members, Committee Chairs or Instructors Reimbursement and Expense Management

All travel, business and conference expense must be related to the duties and responsibilities of TACA Board, Committee Chairs, or Instructor duties.

If the Board or Committee Chair expenses are tied to training and/or conference expenses in connection with county business, reimbursement shall be directed to the member's county for payment.

All reimbursement requests must be submitted on the TACA Reimbursement/Mileage Request form with all associated receipts (copies are acceptable). The form must be signed by the Board Member, Committee Chair or Instructor and dated. It may be physically mailed or emailed to the Secretary/Treasurer.

Any requests submitted more than 4 months old require dual approval by both the President and Secretary/Treasurer. The President and Secretary/Treasurer have the authority to deny a reimbursement request older than 4 months old or which does not meet TACA business expenditure policies.

Requests for reimbursements must be submitted to the Secretary/Treasurer on the TACA Reimbursement/Mileage Request form. The approval for reimbursement must be from the President. In the event of the necessary absence of the President, the President Elect or a member of the Audit Committee is authorized to approve the Secretary/Treasurer reimbursement request.

When considering lodging, care should be taken to minimize costs to TACA. Typically hotel accommodations are in connection with specific planning meetings at the "host" or "overflow" hotel or in connection to a Board Meeting which may be located at a host hotel for a specific conference. For instance, the March Board Meeting is held at the Hilton Austin Airport during the TSAA Conference. Board members and Committee Chairs attending the Board Meeting, but not attending the conference, may lodge at the host hotel.

Lodging and Meals will be reimbursable at the GSA Per Diem Rates as published by the Texas State Comptroller for the city in which the expense is incurred as published by the Texas State Comptroller at <https://www.gsa.gov/portal/content/104877>.

If the TACA Instructor(s) lodges at a “host” hotel associated with the training in a TACA approved class or seminar, the lodging will be fully reimbursable. If the Instructor lodges at a different hotel, the GSA Per Diem Rates will apply. Only with the approval of the President may a Board Member or Committee Chair lodge at a hotel that exceeds \$250 per night.

Mileage is reimbursed based on the federal mileage reimbursement policy as reflected on standard IRS rates. When the IRS standard is adjusted, the TACA Reimbursement/Mileage Request form will be adjusted to meet the standard.

Current rates may be found at <https://fmx.cpa.texas.gov/fmx/travel/texttravel/rates/current.php>

Examples of such activity may be a deputy to the Secretary/Treasurer or President who incurs expense in pick up and/or delivery of items, postage for TACA related items or mileage for TACA related activities to assist Board member. (Section F of the By-Laws regulates certain responsibilities delegated and/or restricted to a paid employee hired by the Board).
